

## Mission: Sr. High Mexico 2010

### Reach Up. Reach In. Reach Out

#### Trip Overview and Purpose

Dear Parents and Students,

We excited that you are interested in our youth mission trip to Juxtlahuaca Mexico June 30<sup>th</sup> – July 11<sup>th</sup> 2010. It is a great partnership between Belmont Church and the Arroyo's. This trip is the next step in world outreach missions. The students will be immersed in a totally different culture and way of life. It is a boot camp of sorts that will allow the students to experience God in new and amazing ways and to learn about missions here at home and outside of our culture. This trip is meant to teach the students to be a missionary wherever they are.

This trip requires a commitment of time and effort. The trip begins March 5<sup>th</sup> and consists of training in trip preparation, prayer, intercessions, local outreaches and team building meetings. These meetings are necessary to prepare the students to be a team member, develop trust, get to know their team and prepare for the travel and the experience of a different culture.

The trip will cost \$1250. The Sr. High trip is for students going into 10<sup>th</sup>, 11<sup>th</sup>, 12<sup>th</sup> grade and graduating. The team will be comprised of 28 students and 8 adult leaders. Cut off date for application is February 21, 2010. Team members will be notified by February 28 if they have been accepted to go on this trip. Two alternate spots will be available and those students will train with the team. Only students who have participated in training will be eligible to fill a spot if one becomes available.
